CAP is a statewide organization of amateur photographers. We have two dinner meetings a year, one in November and one in June, where we feature a name speaker. We also offer field trips throughout the year. Some are one-day while others are for the weekend. We also publish a news letter around six times a year where we announce what's happening. We also offer a club membership for \$7.50 per year which gets a newsletter to the named individual of the member club.

Please be sure to provide your Email below and indicate how you want to receive *The CAPtion*. Even if you want *The CAPtion* by US Mail still give us your Email so that we can inform you of important events and announcements. We will **NEVER** give your email to an outside source without your permission.
